SESHNY BROMAC WINS JUNEE CUP

This petite mare by **McArdle** from **Sabrina Bromac** is continuing on the family tradition of winning races and amassing a healthy bank account.

On the 26th January **SESHNY BROMAC** put up a herculian effort to sit parked outside the leader for the entire journey after coming off barrier 9.

She sat parked but still reeled off a last half in 56-7 to win the Junee Cup comfortably, taking her record to 11 wins and earnings of \$91,000.

Earlier foals from **Sabrina Bromac** have been **SLICK BROMAC** (1-57) and \$206,000 in winnings and **SMUDGE BROMAC** (1-55-5) and \$153,000 in winnings to date.

We have an exceptional Yearling half sister to these star pacers, Samsara Bromac by Super Sire ART MAJOR in the Auckland Sales on the 8th March this year.
